

POP-UP-TIMER

**NEVER RUIN THE FOOD
OR THE OCCASION AGAIN!**

Making the perfect roast is now child's play!

POP-UP-TIMER

CREATING THE PERFECT ROAST HAS NEVER BEEN EASIER!

Whether Meat, Meat Loaf, Fish or Pies – the true taste is only released when the dish is served at just the right temperature. Preparation based on “gut feeling” or “cutting and having a look” is a thing of the past.

With new innovative materials and the latest technology, POP-UP-TIMER lets you know precisely when the required core temperature has been reached.

A patented temperature system automatically triggers, and the colored head of the timer pops up so it is easily visible.

POP-UP-TIMERS are available for various temperature levels between 52° and 86°C.

POP-UP-TIMER:
Roasted dishes cooked perfectly!

Handling is extremely easy:

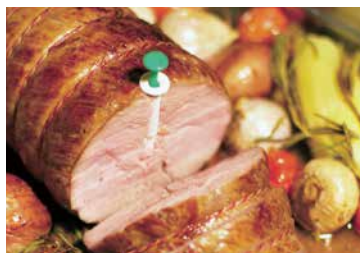

Stick POP-UP-TIMER in at the thickest point.

Put roast in the oven, pan or the microwave.

The roast is ready when the head of the timer pops up.

Let the roast rest, carve and enjoy

Whether you prefer it rare, medium or well done, a POP-UP-TIMER is available for all tastes. Just select POP-UP-TIMER to suit your desired result.
